

Yaksh Goyani

GAME PROGRAMMING INSTRUCTOR

508-410-3157 | Worcester, MA | yakshgoyani@gmail.com | [LinkedIn](#) | [Portfolio](#) | [GitHub](#)

EXPERIENCE

Temporary Researcher

Jul 2026 – Present

Clark University, Worcester, MA

- Researching alternatives to LearnBrite for the professor's Communicating Climate Change: Emerging Issues and Technologies course.

Programming TA, Summer Game Studio

Jul 2026

Clark University, Worcester, MA

- Taught "Unreal Engine 101" workshops, two 2-week sessions (beginner & advanced) - introducing the engine and Blueprints, plus lecture support and troubleshooting technical issues across Unity and Unreal.
- Mentored student teams through game-idea pitches, check-ins, and conflicts; made sure everyone, including students without a group, left with something to show.

Course Assistant

Aug 2025 – Dec 2025

Clark University, Worcester, MA

- Researched VR platforms for accessibility, features, and limitations to identify the most accessible option for students with no prior VR experience.
- Co-designed a gamified Arctic climate-change experience with the professor using LearnBrite.

PROJECTS

Our Last Sync

Aug 2025 – Present

Creator & Lead Programmer

- Came up with the idea and led a 2-player co-op game through two MFA semesters, continuing solo since graduation.
- Programmed the core gameplay in Unreal Engine 5 with C++ and built the Steam release pipeline.

Kamikaze

Aug 2024 – May 2025

Lead Programmer

- Led programming for a 2 to 4-player split-screen shooter in Unreal Engine 5; built core gameplay, modular weapon systems and packaged for Steam.

Data Mine

Nov 2024 – Mar 2025

Solo Developer

- Solo built and shipped a 2.5D platformer in Unreal Engine 5 with a full in-game economy system, concept to release, as a fellowship project.

EDUCATION

MFA - Interactive Media

May 2026

Clark University, Worcester, MA

B.Tech - Computer Science & Engineering

May 2024

VIT Bhopal, India
