PROJECTS

KAMIKAZE

Lead Programmer

Aug 2024 - May 2025

- Led gameplay programming for **4-player local multiplayer** split-screen shooter shipped on Steam.
- Architected **core match systems**: health, scoring, weapon and respawn logic.
- Implemented local multiplayer pipeline: multi-controller input, pawn possession, and split-screen.
- Designed modular **weapon system** using Blueprint inheritance.
- Built character selection with real-time UI locking across controllers.
- Integrated mocap animations and handled **Steam packaging & deployment**.

MULTIPLAYER SUBSYSTEM - UE5.5

Personal Project

Feb 2026

- Built a **GameInstanceSubsystem** in C++ handling LAN and Steam session creation, discovery, joining, and Steam invite.
- Added runtime detection of Online Subsystem for LAN and Steam.

DATA MINE

Solo Developer

Nov 2024 - Mar 2025

- Designed and shipped a **2.5D platformer** as a solo fellowship project.
- Implemented mining mechanic using line traces via animation notifies.
- Built an interconnected **economy system** (health decay, energy consumption, money, data).
- Balanced gameplay through iterative tuning & playtesting.
- Designed levels using a **spreadsheet-based visual metaphor** with one-way progression and narrative triggers.

EXPERIENCE

GRADUATE ASSISTANT

Clark University - Worcester, MA

Aug 2025 - Present

- Teaching assistant for undergraduate rigging course; held office hours and clarified questions.
- Managing Plastic SCM repositories for the Becker School: access control, group management, and repo creation.

COURSE ASSISTANT

Clark University - Worcester, MA

Aug 2025 - Dec 2025

- Assisted professor with Learnbrite, a VR-integrated immersive platform, learning it independently before helping students learn it.
- Designed gamified immersive experiences for middle schoolers on Arctic climate change.
- Provided technical support and troubleshooting for the platform.

EDUCATION

MFA - INTERACTIVE MEDIA

Clark University - Worcester, MA

Expected - May 2026

B.TECH - COMPUTER SCIENCE & ENGINEERING

VIT Bhopal - Bhopal, India

July 2024
