

Yaksh Goyani

GAME DEVELOPER & TECHNICAL INSTRUCTOR

508-410-3157 | Worcester, MA | yakshgoyani@gmail.com | [LinkedIn](#) | [Portfolio](#) | [GitHub](#)

EXPERIENCE

Graduate Assistant

Aug 2025 – Apr 2026

Clark University, Worcester, MA

- Supported instruction for 13 students in Rigging for Animation course in Maya, covering joint placement, weight painting, and Advanced Skeleton.
- Led remote troubleshooting via Zoom to diagnose pipeline errors, teaching students to identify mistakes and minimize rework.
- Reinforced lecture materials by holding office hours and delivering targeted walk-throughs and live examples for students requiring one-on-one support.

Course Assistant

Aug 2025 – Dec 2025

Clark University, Worcester, MA

- Researched VR/immersive platforms, surveying features, pricing, and limitations to identify the most accessible option for students with no prior VR experience.
- Co-designed gamified learning experiences on Arctic climate change with the supervising professor, applying game design principles within Learnbrite's platform constraints.
- Scripted AI chatbot dialogues in Chatmapper and integrated them into Learnbrite to create interactive climate narratives, tested with visiting middle school students at end of semester.

PROJECTS

Kamikaze

Aug 2024 – May 2025

Lead Programmer

- Led gameplay programming for a 4-player **split-screen** shooter built in **UE5** and managed Steam deployment pipeline.
- Architected modular weapon systems using **Blueprint inheritance**.

Data Mine

Nov 2024 – Mar 2025

Solo Developer

- Designed and shipped an end-to-end **2.5D platformer** as a solo fellowship project, managing the full development lifecycle from concept to release.
- Programmed an interconnected economy system (health decay, energy, currency) featuring real-time UI updates.

Tiler50

2023

Personal Project

- Developed a 2D platformer in **Unity** with **C#** covering movement, jumping, shooting, and ladder climbing mechanics.
- Implemented enemy patrol AI, an interactive collectible system and a 3-lives respawn manager across two levels.

EDUCATION

MFA - Interactive Media

May 2026

Clark University, Worcester, MA

B.Tech - Computer Science & Engineering

May 2024

VIT Bhopal, India
